

Regulatory Guidance 20-27

Issued May 15, 2020

Attention: Debt Collection Agencies and Debt Collectors
Re: Enforcement Guidance regarding Minnesota Statutes §332.33, subd. 3
Date: May 15, 2020

Authority.

On March 13, 2020, Governor Tim Walz signed Executive Order 20-01, declaring a peacetime emergency related to COVID-19.

On March 25, 2020, Governor Tim Walz signed Executive Order 20-20 directing Minnesotans to Stay Home and establishing what businesses were in the Critical Sector and were exempt from the Stay at Home Order. It was determined that debt collection and workers supporting debt collection were not exempt from the order, so any work that can be done must be done from home.

On April 13, 2020, Governor Tim Walz signed Executive Order 20-35, extending the COVID-19 peacetime emergency declared in Executive Order 20-01.

On May 13, 2020, Governor Tim Walz signed Executive Order 20-53 extending the COVID-19 peacetime emergency through June 12, 2020. Governor Walz also signed Executive Order 20-56 stating that workers who can work from home should do so.

Guidance.

The Commissioner recognizes that because of the concern surrounding the COVID-19 outbreak, and in light of the Governor's Executive Orders, individual collectors should be working from home temporarily to protect themselves and others, even though their home location is not currently licensed as a branch office.

As such, the Department will not take action against any licensee who allows their individual registered collectors to temporarily work from home as a precautionary measure and pursuant to Governor Walz's Executive Orders. This decision will continue through 30 calendar days after the expiration of any peacetime emergency or August 30, 2020, whichever is later, so long as the following criteria are met:

- 1) The activity is conducted from the home location of an individual working on behalf of a Minnesota licensee;
- 2) The individual is working from home due to a reason relating to the COVID-19 outbreak and has informed the licensee of such reason.
- 3) None of the activity will be conducted in person with members of the public from the home location; and
- 4) The licensee shall, at all times, exercise supervision of the activity being performed at the home office and ensure that appropriate safeguards and controls are in place to protect consumer information and data.

Please note that this Enforcement Guidance only pertains to allowing collectors to work from home and the Department's decision to temporarily suspend its enforcement of Minn. Stat. § 332.33, subd. 3. All other legal requirements under Chapter 332, and other applicable law are still in force. A licensee will still be responsible for any other violations of law from the activity performed at the home office, if there are violations.

The Commissioner may amend, revise, or extend this position at any time and at his discretion. This does not constitute a permanent statutory or regulatory exemption from licensure. This is a response to the current COVID-19 outbreak to ensure the safety and wellness of all licensees and their employees.

Questions.

If you have questions, please contact Jacqueline Olson, Audit Director at jacqueline.olson@state.mn.us. Commerce staff are responding as soon as possible to written inquiries from all regulated industries.

With You Every Day.

Wherever you are in Minnesota, the Department of Commerce is with you every day. Whether you're filling up on gas, purchasing a home, working to reduce energy consumption or rebuilding after a disaster—we are with you, no matter what.

The Minnesota Department of Commerce oversees more than 20 regulated industries, ensuring that Minnesota businesses are strong and Minnesota consumers are protected. Our mission is to protect the public interest, advocate for Minnesota consumers, ensure a strong, competitive and fair marketplace, strengthen the state's economic future and serve as a trusted public resource for consumers and businesses.
